

DAVIT CRANES

EFFORTLESS HOISTING ON & FROM BOARD

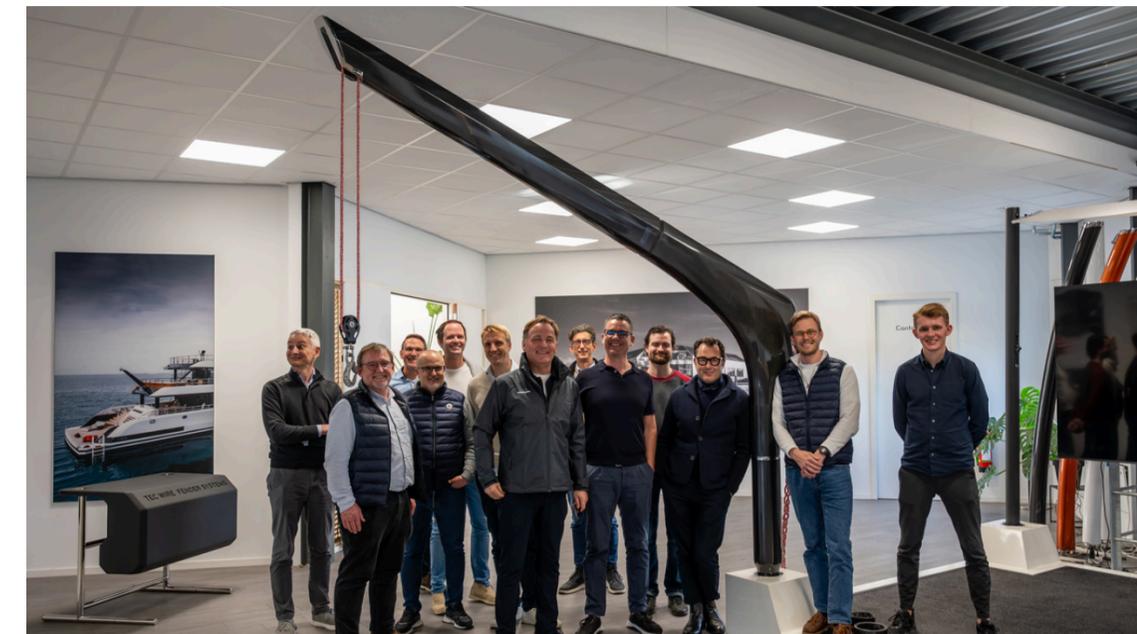

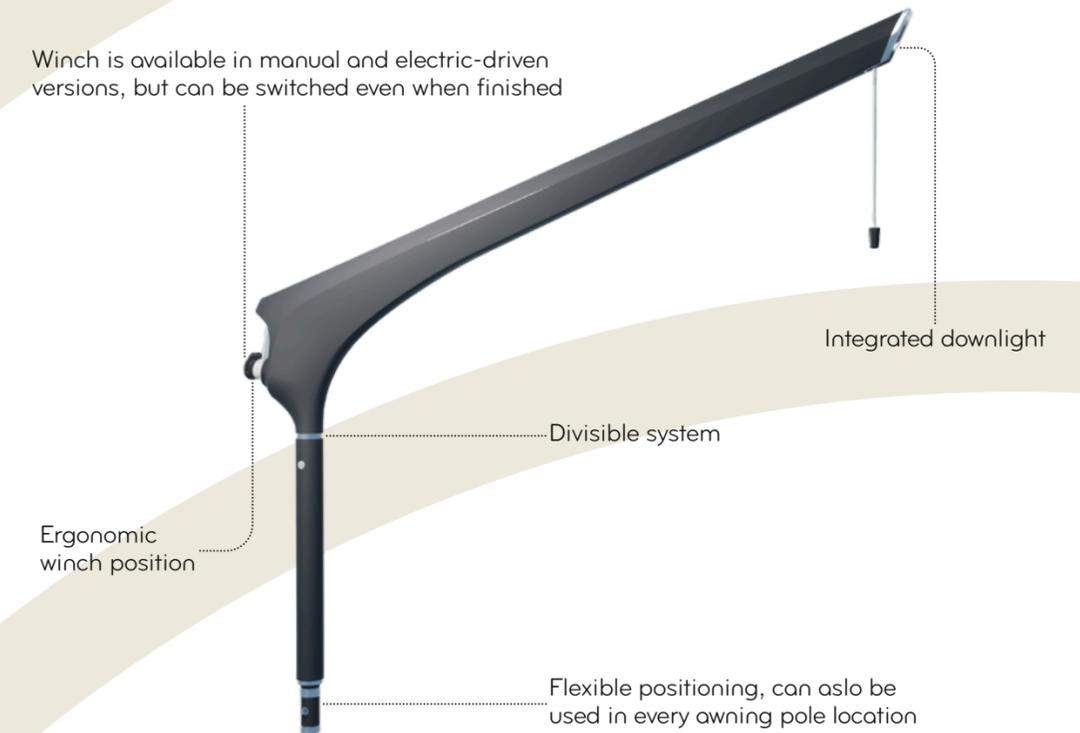

Taking convenience a step further, the carbon fibre Davit Crane brings flexibility and efficiency to deck operations.

Its ergonomic design and compact storage make it a practical choice, especially with its integrated light for working in the dark.

The Crane can be used on any Sun Awning position, allowing items to be moved effortlessly between different locations.

In collaboration with Espen Øino International.

Winch is available in manual and electric-driven versions, but can be switched even when finished
