

STANCHIONS (Assembly)

INSTALLABLE WITHIN MINUTES!

Tec Wire's lightweight carbon fibre Stanchions provide any yacht with the necessary protection in a stylish way, installable within minutes due to its practical design.

They can be installed on numerous locations onboard, from helidecks to swimming platforms to folding balconies, but also on other Tec Wire products such as our boarding equipment.

This high-end product is available in different foldable, removable and lockable versions and has a type approval to ensure optimal strength, safety and sustainability for any project.
